

***Governor's Mentoring Awards Program***  
***January 17, 2008***  
***10:00am - 11:00am***

Are you looking for a creative way to recognize your volunteer mentors? Arizona mentoring programs are invited to attend the Governor's Mentoring Awards program, where six of Arizona's outstanding mentors will receive an award and all Arizona mentors will be honored. Let's celebrate changing our world, one child at a time by acknowledging members of our community who are making a difference.

**Please invite your top five (5) volunteer mentors and two (2) staff to attend this event.** We realize that your program has more than five outstanding mentors; therefore we are offering each mentoring program the opportunity to recognize as many mentors as needed with a certificate of recognition from Governor Napolitano. **Mentoring organizations may request certificates for as many mentors as needed.**

**Outstanding Mentor Nomination Criteria:**

- Mentoring for three to five years
- *Compelling* mentoring story (mentor/mentee relationship or history)
- Will attend Governor's Mentoring Awards Program January 17, 2008

The Governor's Commission on Service and Volunteerism will select the award winners based on the nomination information submitted.

**Send your nominations to: [ascottthomas@az.gov](mailto:ascottthomas@az.gov)**

The event is free to attend. Arizona non-profit or school-based mentoring programs that serve school-age youth are eligible to participate.

This event is made possible with the very generous support of the Governor's Commission on Service and Volunteerism and the Governor's Office.
